

Sunday 8th October 2023

Dear Parents,

We have now sent entries in for the **February Dance Festival**. Again, all entries have been limited so we have been unable to enter all new requests. This is out of our control due to a much more restricted entry allowance.

This is your entries for your reference, and these are unable to be changed. If there are any problems, please email me by **Tuesday 10th October 2023**. I will reply to all emails after then.

Thank you.
