

Frozen Final Communication

Times, Hair, Makeup, Shoes

Hello!

We understand there has been some confusion with what is required for Frozen.

Times:

Students are required for the dress rehearsal on Thursday 25th January 5-8pm. We anticipate the dress rehearsal may run over slightly due to logistics of getting out of costume etc.

Students should arrive an HOUR before each show, meaning they should be at napa no later than 6pm on Friday and Saturday, and 1pm on the Sunday performance.

Hair:

Hair should be tidy and out of the face.

We have already had discussion with the cast members that we would like something specific for.

Makeup:

If you would like to wear makeup, we request that it is minimal and natural.

Shoes:

If possible, we would like the cast to bring in a pair of boots.

These boots need to be dark colours, with no big and obvious branding.

NAPA, may have some boots for some of the children, but we cannot accommodate all.

For the female presenting members of the cast, we have also requested a flat shoe. We would only like the colours, black, nude, navy blue, and brown.

No obvious branding on the shoe.

If there are any problems or doubts with bringing in the shoes mentioned above, we ask that the cast bring an ALL BLACK shoe, (school shoes will be fine as long as they are clean).

Please make sure that all shoes do not limit your ability to dance.

It is then personal choice if cast members would like to bring nude-coloured tights, shorts to go under costumes etc.

Thank You,

Sarah Sidaway (Musical Theatre Teacher)
