

NAPA Dance Class Uniform Information

Dear Parents/Guardians,

Welcome back! We are delighted to welcome everyone for the year ahead. As you know, NAPA offers classes across a range of disciplines, from Ballet to Acrobatic Arts. Dance is an ever-evolving art form, and there is now a wide variety of dancewear available. **At NAPA, we are committed to promoting discipline and respect. Students demonstrate these values by arriving correctly groomed for every class. Appropriate grooming is an essential part of each lesson, helping students to dance safely and enabling teachers to assess and correct their physique effectively.**

We would now like to reinforce our uniform policy.

Students must wear the appropriate dancewear for their Core Classes (Ballet, Tap and Modern). Non-uniform leotards and dancewear may only be worn during Enrichment classes.

Hair must be worn in a bun for every class. This is an important part of dance training and allows teachers to teach and correct students effectively.

Grooming and presentation are essential elements of every dancer's training. As with any extracurricular activity—such as swimming, martial arts, gymnastics or horse riding - students who are not wearing the correct uniform will be unable to participate in the class.

What should students wear to class?
