

1st October 2026

Dear Parent/Guardian,

We wanted to contact you today with regards to some changes we are implementing to the Saturday timetable.

We have recognised that due to the high numbers of students attending on a Saturday, we need to take some practical measures to ensure we reduce congestion in the main foyer as much as possible.

New Class Times

- Primary Core Dance A – 11:15am – 1:30pm
- Primary Core Dance B – 11:15am – 1:30pm
- Junior Core Dance A – 11:15am – 1:30pm

Arrival Times

Please may we request that you arrive for your classes as close to the start time as possible. 5 minutes before would be preferred to help reduce congestion and waiting in the foyer.

Arrival Locations

Students arriving for the following classes should go straight to the theatre and wait for their teacher to collect them and take them to their class:

- Primary Core Dance A
- Primary Core Dance B
- Junior Core Dance A
- Pre Primary Musical Theatre

Students arriving for Inter Musical Theatre & Acting B should go directly to the First Floor and wait outside studio F7.

Family Members

As the school is incredibly busy on a Saturday and due to the limited space in the foyer, we would like to request that, where possible, only one parent/guardian brings their child into the building.
