Saturday Intermediate MT & Acting

Welcome to the new term. We hope everyone has settled into classes and is enjoying being back with us. We are very excited to start working on the show.

We wanted to let you know about changes we have made to our Saturday Intermediate Musical Theatre and Acting classes. After receiving lots of feedback last year about casting and cast sizes and not everyone getting a chance to play roles, we made the decision to add more classes in order to address this balance.

As we are currently preparing for the upcoming auditions for Joseph and the Amazing Technicolor Dreamcoat, we wanted to let you know about how that will be cast and distributed across the 2 Saturday groups. Please see below:

Joseph Auditions:

- Students audition in the class they currently attend
- We will then create 2 casts across the Saturday Classes
- Based on their role they will then be placed in either:
Saturday 11.00am till 1.30pm CAST
Saturday 11.30am till 2.00pm CAST

We will confirm each student's cast allocation/class time after the auditions.

This will allow us to create balanced groups and give even more students an opportunity to play a role should they want to!

We will of course endeavour to keep friendship groups together and make sure students continue to work alongside peers they know in a happy, safe environment as this is hugely important to us at NAPA.

We want to take this opportunity to reassure you that there will be no change to the content or standard of teaching between the two casts and both groups will continue to receive the same level of training and support.

If you have any queries, please feel free to contact me.
We are looking forward to another fantastic year at NAPA.

Many thanks for your support.
